Dear Mark,

As you are aware, June is Invasive Species Action Month in Wisconsin. As part of the activities occurring throughout the month, the Wisconsin Invasive Species Council will be honoring Wisconsin citizens and organizations for their significant contributions to the prevention or eradication of invasive species that harm Wisconsin's waters and land. On behalf of the Council, it is my pleasure to notify you that your nominee, Tom Rogalski, has been selected as a recipient of a 2026 Invasive Species Action Award in the category of Volunteer Individual.

You are invited to a special recognition ceremony that is being planned for Wednesday, June 3 at the Mequon Nature Preserve (8200 W County Line Road, Mequon, WI 53097). The ceremony will begin at 1:00 p.m. and will last approximately one hour. Following the ceremony, you are invited to stay for light refreshments. There may be an optional field trip/site tour following the ceremony. An email calendar invitation will be sent to you soon, along with information about how to RSVP.

We look forward to seeing you in June! Keep up the good work for the State of Wisconsin and beyond!

Sincerely,

Tom Buechel
Chair
