

Invasive Species Defense Fund

Situation

- We continue to face invasive issues at a more rapid pace
- Reality would point to a 'major' incident in the foreseeable future
- Eradicating the invasive could prove costly
- We will need flexibility to move quickly

Matching Fund Donation

- We have a private donor that is willing to provide a \$20,000 kick start
- Donor will "match", dollar for dollar, additional private donations made up to \$20K which will then provide us a \$40,000 defense fund

Summer Funding Drive

- Today, we are formally kicking off our Summer Funding Drive.
- Between now and Labor Day all donations, sent to Tim Murphy and earmarked Invasive Species Defense Fund will get MATCHED

Ways to Donate

- Venmo and Check
- Questions email: webblakeassoc@yahoo.com

Note: These funds will be held separately and designated ONLY for Invasive Defense Use
